

SAVE THE DATE

8th Annual Colorado Health Literacy Coalition Conference

How informed is your consent? Impacts of a population with low numeracy skills.

Friday, October 7, 2022

Location: Embassy Suites Denver Central Park

More details coming soon!

Featuring presentations about:

- Population-level impacts on low health numeracy.
- The demands placed on those managing chronic conditions.
- Risk vs. benefit as a critical aspect of informed consent.
- Health literacy 101 for our first-time attendees or those new to the field of health literacy.

Attend to:

- Work hands-on with communicating around numbers to take the guessing game out of the equation for our patients/clients/customers, etc.
- Recognize health numeracy as an increasingly imperative part of our health journey.
- Demonstrate how to implement health numeracy best practices.
- Define risk vs. benefit and how this becomes an informed consent issue.

Who should attend:

- Anyone interested in health literacy!

To learn more:

- Follow us at <http://www.healthliteracycolorado.org/> or on [Facebook](#) for up-to-date conference information!
